- With this agreement BEST PHOTOGRAPHY reserves this date just for you. Because of this, all deposits are non-refundable if canceling for any reason.
- Payment structure; 1/3 upon signing agreement, 1/3 3 months prior to wedding date, 1/3 upon arrival on wedding day. Exception: "Digital Package"; 1/2 upon agreement, and 1/2 upon arrival on wedding day. Failure to make scheduled payments constitutes breach of contract. Agreement becomes null and void, and BEST PHOTOGRAPHY will not be liable for the return of deposits. Make checks payable to BEST PHOTOGRAPHY. Mail to: BEST PHOTOGRAPHY, Po Box 13, Langhorne, PA 19047
- Signing parties have 6 months from receiving proofs to provide request for package images. After 6 months a surcharge of \$50 will be applied. Agreement becomes null and void after 1 year from wedding date.
- You must inquire with us before other professional photographers or videographers may be allowed to photograph the wedding or reception. This may cause competition for "getting the shot", and distraction by "the competition". Failure to consult us about this renders agreement null and void, and BEST PHOTOGRAPHY will not be liable for the return of deposits.
- All photos, prints, proofs, and images are property of BEST PHOTOGRAPHY. We reserve the right to use them for advertising, display, or promotion of said business. Contracting party retains copyrights to use photos for any personal use with the exception of promoting a business or for profit.
- While BEST PHOTOGRAPHY goes to extremes to preserve and maintain all photos, we limit any liability for loss, damage or failure to deliver pictures for any reason to the return of all deposits made.
